

Jay Green

Plant Photographer and Web Designer

My Work

About Me

Hey there I'm Jay and I work as a plant photographer. I graduated from plant photography school at the age of 22 and have been taking pictures of them ever since. If you have a plant and need to get it into a frame, I'm the man for the task!

Previous Experience

2021 - Senior Gardener at Nature
2020 - Gardener at Plants are Us
2019 - Plant whisperer at Earthling

Hobbies

Traveling and reading a good book!
